

ALEX KAPO

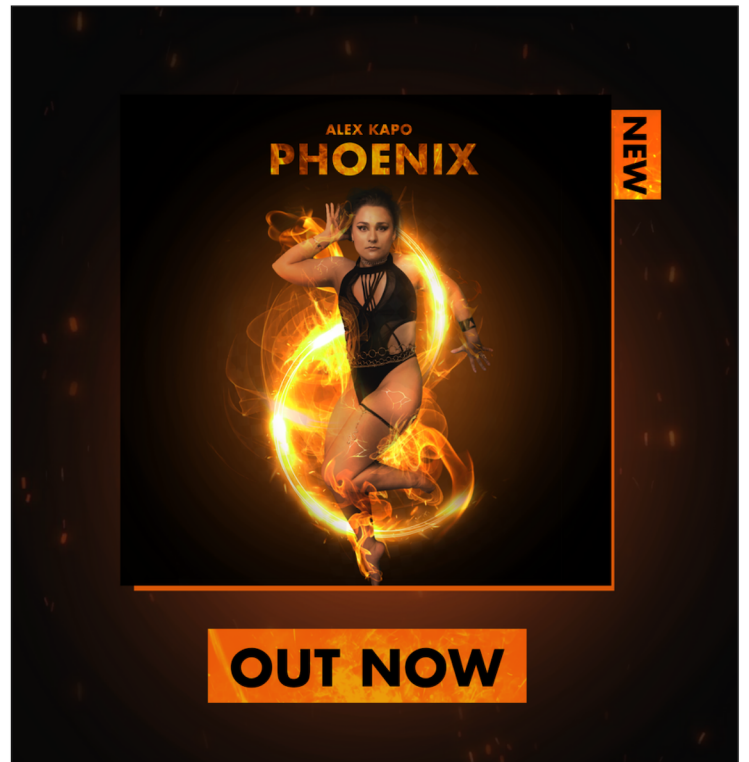

BIO

Alex Kapo (she/her), hailing from Toronto, transitioned from a theatre enthusiast to a classically and jazz trained musician, before eventually emerging as a pop/dance artist and performer.

Kapo has recently unveiled her debut single, "Phoenix," which will be included in her forthcoming solo EP set to release in 2024.

Kapo is the creative force behind the record, serving as the mastermind for the music and lyrics, as well as co-producing the EP.

Kapo is no stranger to the recording studio, having contributed her exceptional vocal abilities to some of the most prominent titles in the industry.
